WE SELL THE DREAM FIRST

ONE GREAT EXPERIENCE AFTER THE OTHER

It's not so much about what kind of insulation is in a Waldoch luxury conversion Van - how much or how thick it is. It's about how quiet the ride is, how you can easily talk to the folks 2 rows back, share conversation and laughs as you head on down the road. That's the feeling of it, that's the benefit.

Yes, the technology and materials we use are the best in every choice and detail. But it's all about the ultimate experience for our customers. It's about how every want is satisfied. It's about how our customer feels in our vans.

So we lead with the dream. We're all about the fun, the comfort, the versatility. We're for all the trips and activities that make the journey as good as the destination.

FOR THOSE WITH A LIFE FULL OF FAMILY AND FRIENDS WITH PLACES TO GO AND THINGS TO DO

- Our customized vans can seat 7 to 9 people comfortably with ample leg, foot and hip room. Like a living room on wheels.
- If you transport sports teams and ferry loads of kids to activities, this is the ticket. Time spent in this spacious van is fun for kids, a chance to strengthen the team bond that becomes part of the whole experience.
- Have a group of pals you fish with, a tailgater's club, golf group? The party starts the moment you pick up your friends in this luxury van.

FOR YOUR WEEKEND GET AWAY.

You don't have to wait to get to the cabin for the fun to begin. In a Waldoch Van it begins the minute you roll out of the driveway. The comfort and space, the entertainment options, the easy swivel seats made
